

Foundation for Madison's Public Schools

A Principal Experience

You are being called to The Principal's Office!

About the Event

As a Principal Partner, you will spend the morning of October 8 in one of Madison's public schools, shadowing your host principal and participating in school activities. All host principals and Principal Partners then meet at the Alliant Energy Center for lunch and a facilitated program to discuss the day's events. Your commitment concludes at 1:30 p.m.

Our hope is that you will gain a deeper understanding of Madison's public schools and strengthen your commitment to public education. Past Principal Partners have been inspired to support the school they visited by working with their organizations to participate in the Adopt-a-School program or by making a contribution to support the Foundation's Adopt-a-School program.

Principal Partners pledge to:

- Complete the application to participate
- Provide brief biographical information and a head shot that can be shared with the host principal
- Spend the morning at their assigned school
- Attend the *Principal Experience* luncheon
- Share information about their experience with family, friends, and colleagues
- Encourage their organization to develop an Adopt-a-School partnership with their school
- Consider a financial gift to the Foundation for Madison's Public Schools in support of *A Principal Experience*
