We make this gift in honor of

“All of the great terrific teachers our kids had on Madison's East side! Lapham, Marquette Middle and Elementary, East High!

We need our Teachers!”

Rosalia Gittens, Leopold Community School Resource Coordinator . . .

“Thank you for making this resource available to schools. It was incredibly helpful to place an order and receive it the next day during a very critical time of the school year. The system is user friendly and it gives schools the opportunity to choose what is most needed at the time. We appreciate you and everything the Foundation does to support equitable systems for our students.”

Brett Wilfrid, Principal,

Carl Sandburg Elementary School . . .

“This was a really nice piece of good news in a pretty challenging time! Not only did we get a "free" money to spend on supplies that teachers need and have been asking for, but the ordering process was extremely easy, the delivery came really fast, the service was great, and some of the products - especially the playground equipment - seemed to be a great value for a relatively low cost!”
